Club Espoir Triathlon Gatineau's mission is to promote and develop triathlon among young people in the Outaouais region.

Club Espoir is a not for profit organisation founded in 1993 (29 years already).

## TRIATHLON HISTORY

Triathlon is a sport that reunites three different disciplines: swimming, cycling and running. Triathlon distances vary greatly from the first-timer short distance try-a-tri to the extra-long and painful Ironman distance. This sport became an official Olympic sport for the first time in Sydney in 2000.

Over the past few years, we are noticing a strong increase in interest and participation for the triathlon especially with the youths. Club Espoir Triathlon is particularly proud to be the only Youth Club having produced 2 olympians: Kathy Tremblay and Alexis Lepage.

### Mission

Financially Support Club Espoir de Gatineau by promoting physical activities and perseverance in sports in the Gatineau-Ottawa region.

### Vision

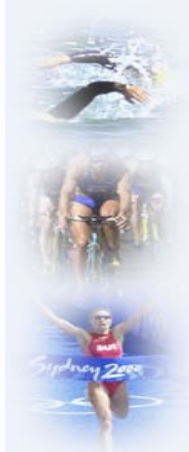

Organize and promote a triathlon that meets the highest requirements of Triathlon Quebec while putting in value the Gatineau-Ottawa region in order to encourage people from all ages to remain active.

### Values

Perseverance, surpassing oneself and team spirit.
